CCG Ghoul Investigators

Tokyo Ghoul:re

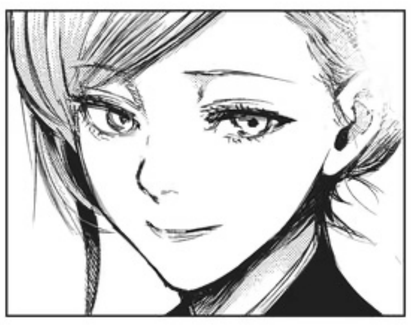
The CCG is the only organization in the world that investigates and solves Ghoul-related crimes. Founded by the Washu family, the CCG developed and evolved Quinques, a type of weapon derived from Ghouls' Kagune. Quinx, an advanced, next-generation technology where humans are implanted with Quinques, is currently under development.

Qs (Quinx)

Investigators implanted with Quinques. They all live together in a house called the **Chateau** under Urie's new mentorship.

Ken Kaneki
金木 研

Half-Ghoul and former mentor of the Qs Squad. Recently regained his memory investigating the Aogiri Tree with Furuta. He has a particular reason for attempting to break into Cochlea.



Akira Mado
真戸 暁

Assistant Special Investigator
Mentor to Haise. Takes after her father. Determined to eradicate Ghouls. Investigating the Aogiri Tree. Concerned about Fueguchi.

Kuki Urie
瓜江久生

Rank 1 Investigator
New Quinx Squad Leader. His father, a special investigator, was killed by a Ghoul. Urie seeks to avenge his death. He is demonstrating leadership after the death of Shirazu Ginshi.

Saiko Yonebayashi
米林才子

Rank 2 Investigator
Supporting Urie while playing with her subordinates. By far the most suitable Quinx Procedure candidate, but she is very bad at time management and a sucker for games and snacks.

Toru Mutsuki
六月 透

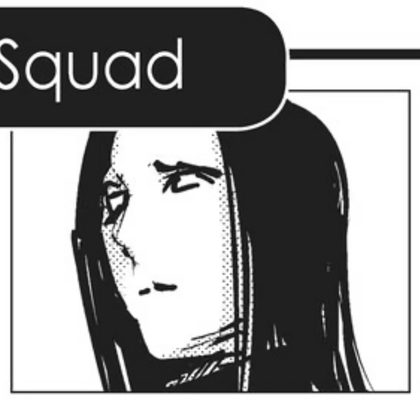
Rank 1 Investigator
Both his parents were killed by a Ghoul. Assigned female at birth, he transitioned after undergoing the Quinx procedure. Abducted by Torso during the Rushima Operation.

Mado Squad

Suzuya Squad

Juzo Suzuya
鈴屋什造

Special Investitgator
Promoted to special investigator at 22, a record previously only held by Kisho Arima. A maverick who fights with knives hidden in his prosthetic leg.



Hanbeh Abarai
阿原半兵衛

Rank 1 Investigator
Suzuya's right-hand man.

Yoshitoki Washu
阿原半兵衛

CCG Bureau Chief
Supervisor of the Quinx project. A member of the CCG's founding family, but he still has an approachable side. Commander of the Rushima Operation.

Matsuri Washu
和修 政

Special Investitgator
Yoshitoki's son. A Washu supremacist. Is skeptical of Quinxes. Deputy Commander of the Rushima Operation.

Itsuki Marude
丸手 斎

Special Investigator
Heads Counter-measure II. Deputy Commander of the Rushima Operation.

Kisho Arima
有馬貴将

Special Investigator
An undefeated investigator respected by many at the CCG.

Take Hirako
有馬貴将

Senior Investigator
Kisho Arima's former partner. A reticent investigator.

Nimura Furuta
旧多二福

Rank 1 Investigator
Former subordinate of the late Shiki Kijima. Has many secrets.

TOKYO GHOUL

Ghouls

They appear human, but have a unique predation organ called Kagune and can only survive by feeding on human flesh. They are the nemesis of humanity. Besides human flesh, the only other thing they can ingest is coffee. Ghouls can only be wounded by a Kagune or a Quinque made from a Kagune. One of the most prominent Ghoul factions is the Aogiri Tree, a hostile organization that is increasing its strength.

The Aogiri Tree

Eto/Sen Takatsuki
エト／高槻泉

Founder of the Aogiri Tree. Also a remarkable author with many fans. Revealed herself as a Ghoul after announcing her final novel.

Tatara
タタラ

A leading member of the Aogiri Tree. Related to the former head of the Chì shé lián. A Chinese Ghoul.

Ayato
アヤト

A leading member of the Aogiri Tree. A Rate SS Ghoul known as the Rabbit.

Naki
ナキ

Member of the Aogiri Tree. Current leader of the White Suits. A Rate S, but frequently loses control.

Shosei
承正

Member of the Aogiri Tree and the White Suits. Joined after being beaten by Naki during Jason's leadership.

Hohguro
ホオグロ

Member of the Aogiri Tree and the White Suits. Joined after tying with Shosei.

Miza
ミザ

Member of the Aogiri Tree. Controlled the 18th Ward as the head of the Blades. Known as Triple Blade.

Torso (Karao Saeki)
トルソー

Rate A Ghoul. Abused his position as a taxi driver to prey on women with scars. Obsessed with Toru Mutsuki.

Hinami Fueguchi
フエグチヒナミ

Member of the Aogiri Tree. Captured by Haise Sasaki and sent to Cochlea, but has since been freed.

Touka
トーカ

Manager of café :re. Infiltrated Cochlea to save Hinami.

Renji Yomo
四方蓮示

Barista at café :re. Infiltrated Cochlea with Touka.

Banjo
バンジョー

Ayato's assistant.

So far in :re

TOKYO GHOUL

Haise Sasaki and the four Qs who fight using Ghoul abilities are recognized for their role in the Tsukiyama family eradication operation and assigned to individual cases. The CCG discovers the Aogiri's stronghold, Rushima Island. Meanwhile, Sen Takatsuki reveals herself as a Ghoul at the press conference for her final novel, *King Bileygr*. The rift between humans, Ghouls and the CCG over the One-Eyed King grows ever deeper. Haise, assigned to defend Cochlea, attempts to free Hinami, but is no match for Arima and his Quinque, the Owl...

A.K.A. The Torso

The victim's limbs were found in the vicinity of the torso while the head was discovered farther away.

There is also evidence that something large penetrated his anus, perforating his intestines and other internal organs before reaching to his diaphragm.

The wounds to the head are especially severe. The eyes were gouged out, the tongue was missing, and the nose was carved off. The victim's severed penis was found wedged in the nasal cavity.

The tongue has not been recovered.
